MID-WEEK/FUTURE ACTIVITIES

TUESDAY HIKES. Watch for a Yahoo Groups announcement each week for location and time. Hikes are of moderate difficulty, 3 to 5 miles, lasting approximately two hours. Lunch after the hike for those interested.

WEDNESDAY HIKES begin at 10 AM winter, earlier in the summer. Hikes are fast-paced, of challenging difficulty, 5 or more miles and lasting 3 or more hours, depending on trail and weather conditions. Challenging difficulty means that you'll need to be in good hiking condition because of significant elevation gain and/or increased mileage. Watch for the weekly Yahoo Groups announcement for meeting place and hike description. If you have questions, contact Scott Stolhand, 208-891-2214.

THURSDAY HIKES and other miscellaneous activities will be posted on Yahoo groups. If you have questions contact Liz McWhorter, 208-385-0100.
