UPCOMING MWOC EVENTS

MWOC MONTHLY MEETING

Date & time: Monday, October 2

Officers & interested parties, 6:30 PM

Agenda & program, 7:00 PM

Place: Idaho Fish & Game Headquarters, 600 S Walnut St, Boise. Enter by the southeast doorway, not the main entrance. There should be a club member at the door.

Winter meetings happen indoors at Idaho F&G and don't include dinner. In place of a potluck dinner, we have interesting speakers.

The October meeting will feature Traci Swift, Outreach Coordinator for the Nature Conservancy in Idaho. Her topic is "Building Partnerships for Vibrant Communities and a World Where Nature Thrives". The mission of The Nature Conservancy (TNC) is to conserve the lands and waters on which all life depends. TNC has conserved more than 450,000 acres of iconic landscapes and important habitat, and over 200 river miles in Idaho since 1965. Today, TNC has three focus areas: Land and Water Conservation, Regenerative Agriculture, and Climate. Traci will cover three projects in particular: Silver Creek Preserve, the City of Trees Challenge, and restoration at Diane Moore Nature Center.

Traci is also a board member of the Treasure Valley Canopy Network, and an avid outdoorsperson.

Please note: Doors in the Idaho Fish & Game Building are locked after regular business hours. A MWOC member will be stationed at the door to allow persons to enter for the MWOC meeting. As a courtesy to your fellow members, please arrive on time for the program. The door monitor will leave the door locked and unattended after the 7 PM program begins.

RAKE-UP BOISE, Saturday, November 18

It's that time of year again! Soon the leaves will turn color and flutter to the ground. Rake Up Boise is a city-wide volunteer program that cleans up yards for veteran, disabled, and senior homeowners each November. An MWOC team has participated in this activity for over 20 years. It's always a great time together! We will rake on **November 18** this year. A bit later than other groups perhaps, but more likely to allow leaves to be on the ground rather than still up in the trees.

We will work from 10:00 AM to noonish. We will be assigned our yards in early November. Tee shirts and fleece hoodies are available to purchase if you are interested. https://stores.inksoft.com/rake_up_boise/shop/home. The deadline for purchase is October 13.

Send me an email to sign up for the event. I'll post more details as they're available. Mary Brown, brownmeb@gmail.com.

EMPIRE STATE TRAIL BIKE TOUR, JUNE 2-7, 2024

"We'll start our tour at Battery Park in Manhattan and finish in Albany NY. We'll bike 200 miles of the trail, covering 28-47 miles each day. Along the route, we'll see all manner of scenery! The trail is a mix of paved bike path, rail trails, and quiet roads. At Albany we'll turn in our bikes and return to the City by train.

[Discovery Bicycle Tours](#) is putting together our tour. The package includes 5 nights lodging and most meals, a guided bike tour of Manhattan, detailed maps and itineraries. We'll have full van support – **PLUS** the use of a bike and a helmet. To learn more information about the tour, go to: [Empire State Trail](#).

COST. The cost of the tour is \$2895 (more for single occupancy). Airfare is not included. A \$500 deposit is required to reserve a spot. The deposit is refundable up to 60 days before the tour begins (which is the same day the final payment is due). We'll have a private tour *if* 10 people sign up *and* we will receive a 10% discount that will be refunded at the end of the tour.

Planning. We are planning to stay in Manhattan the night before the tour. A list of hotels in the Battery Park area will be available when we have the list of participants. Of course, you can spend time before or after the tour in the City on your own."

Come cycle with us!

1. Call Jane at (802) 457-3553 today to register. Tell her you are with Mountain West Empire State Tour with Peggy and Judy as contacts.
2. Then **text** Peggy Killen, (208) 484-7946, or **email** Judy Farnsworth, jfarnsw@me.com, to tell us you've signed-on!!

CROSS CANADA BIKE TOUR, 2025

MWOC member, Fran Wolfe, suggested this event. It is not an MWOC-sponsored event and has not been vetted, but it sounds pretty interesting for a certain kind of person. A dedicated biker, for sure. CCCTS is Cross Canada Cycle Tour Society, CCCTS.ORG (not to be confused with CCTS, Close Combat Training System, LOL).

Here are some preliminary details on a potential Cross Canada 2025 tour:

- **Timeframe** – About 3 months or 90 days over the summer,
- **Route** – Begin in Victoria, B.C. and end in St. Johns, Newfoundland,

- **Daily Distances** – Average about 90 to 120 kilometers, but there could be a few days that are longer and days that are shorter,
- **Cost** – Cost of the tour is unknown at this early stage but a rough estimate is \$8,000 to \$10,000 CAD per person. Efforts will be made to economize whenever possible but without sacrificing comfort.
- **Group Size** – Minimum 16, maximum 24,
- **Method of Travel** – Follow the “CCCTS camping system”, which involves renting a truck to carry gear and for emergencies, group cooking in teams, using CCCTS camping equipment, etc.,
- **Camping vs. Motels** – Camp about 5 nights per week and stay in motels about 2 nights per week or possibly sometimes 3 nights a week,
- **Rest Days** – Rest days, averaging 1 day per week, usually following the first night in the motel,
- **Food/Meals** – This tour will eat well. All tour members will serve on a cook team, and each team will cook approximately 1 day per week. There will be plenty of nutritious and delicious food provided as part of the tour (no scrimping on the food budget) for 3 meals per day plus snacks, except for layover days when tour members will have the opportunity to eat out.
- **Driver** – Hire a dedicated driver so tour members can ride the entire distance.
- **E-Bikes** – E-bikes welcome, since we will use campgrounds set up for power plug-ins. Spare battery(ies) on the truck will be required,
- **Planning Committees** – All participants will be required to serve on one or more planning committees (e.g., Route, Accommodations, Safety, Equipment Management, Food)
- **Senior Advisory Committee** – A Senior Advisory Committee (SAC) will be formed with a few longtime club members who have led CCCTS camping trips and/or ridden the Cross Canada tour with our club. This committee will review and provide guidance on all aspects of planning for the tour.

MISCELLANEOUS BUSINESS

UPCOMING ELECTION OF MWOC OFFICERS

As you may remember, MWOC transitioned to a system in which we elect half our officers every year. The new system provides continuity in that the new, incoming officers will overlap with half of the old, outgoing officers.

In December, we'll hold an election to replace the Vice President (currently Judy Farnsworth), the Membership chairperson (currently Claire Veseth), and the

Communications chairperson (currently Jim Wolf). So far as I know, none of the incumbents are seeking re-election. Please contact one of the current officers if you have questions or would be interested in one of these positions.

SPAM NOTICE FOR PRESIDENT GREG FARMER

Greg travelled abroad recently and may have had his phone hijacked. An alternative explanation is that Wild Apricot was hacked. Either way, something is amiss. An email was received in September, asking for Paypal / Venmo payments to be made on behalf of MWOC. The email mentioned Greg, Laura Janski, and Jim Wolf by name, so it was fairly specific. Just be aware, IT WAS GARBAGE. Stay alert! Delete and report if it happens again.

MWOC MONTHLY MEETING, Monday January 8, 2024

The monthly meeting is usually held on the first Monday of each month. We're delaying the January meeting until the second Monday, January 8, to avoid New Year's Day. I know we're all dedicated members but surely we'll have something more important on NYD.

ACHD Launches Interactive Online Bicycle Map

Bicyclists can now access the Ada County Highway District Bicycle Map. It shows the bicycle network throughout Ada County as well as public amenities and features including bike shops, libraries, hospitals, schools, and parks. The map is color-coded to show the level of comfort of each route. Users can learn more about each type of bicycle facility through a link on the map. The map also features different layers, including satellite imagery, topography, terrain, and more to help bicyclists navigate the network.

The online version allows users to access the bike map from anywhere, and also provides a place for users to report incidents along the road, such as debris, cars, or other obstructions in a bikeway.

The updated Ada County Bike Map is available on ACHD's website, achdidaho.org. Physical copies of ACHD's Official Bike Map can be requested at (208) 387-6100.

Members are invited to **update their MWOC profiles** to insure accurate information, including phone numbers for emergencies.

You can always change your contact information (Profile) in the Member Directory by going to the club website, www.mwocid.org, logging in with your email and password, and clicking on your name in the upper left hand.

Thanks to everyone for sending current photos. There's a LOT that goes on between newsletters.

PLEASE KEEP THOSE PHOTOS COMING! (Email addresses at end of newsletter.)

MWOC ANNUAL PICNIC, Monday, September 11, 2023

As usual, a good time was had by all! 91 members attended, a little down from last year but still a good showing. Numerous raffle prizes were awarded. The most popular items (by number of bids) were Private Lane wines, Storyteller wines, chocolate clusters, and an inflatable raft with paddle. Imagine the winners rafting down the Boise river with chocolate candy and numerous open bottles of wine. Doesn't sound too bad....

ANNE HUTCHINSON MEMORIAL HIKE, September 20

Stack Rock to Avimor, 10.5 miles

This tradition began in 2018 in memory of Wendell Martin's recently deceased wife, Anne. Anne loved hiking and had many friends among MWOC members. The hike was repeated in 2019. It was temporarily decommissioned by Covid but resumed this year. Wendell gave a moving tribute about halfway through the march, then served up some delicious little tomatoes from his own garden. Very nice indeed! Most of the hikers enjoyed pizza and beer afterward at Spring Creek Brewing Co in Avimor. After 10 miles, some of us just needed Gatorade and rest.

RECURRING MONTHLY EVENTS

Tuesday hikers visited Bogus Basin, Dry Creek Headwaters, Highland Valley Trail, and the Hawkins Loop.

Wednesday hikers visited Highland Valley / Cobb Trail, Red Tail to Chukar Butte Trails, Stack Rock to Avimor (see above), and Hillside Park Trails.

Thursday hikers visited Camel's Back Trails, as well as Greenbelt hikes near Pamela Baker Park, Riverside Park, and Esther Simplot Park.

Unfortunately I can't share the short video I received, showing the Thursday hikers prancing with vigor. I want some of their energy!

Kayakers paddled Lucky Peak Reservoir and Arrowrock Reservoir.

Welcome back, Francesco!

Friday bikers visited East Boise neighborhoods, Lucky Peak Dam, Columbia Village, and Eagle / Eagle Island State Park.

Thursday Afternoon Nordic Ski/Snowshoe group stopped meeting due to lack of snow. They will resume in January.

PARTING SHOTS

KAYAKING AT LUCKY PEAK RESERVOIR

I want to know if the dog signed a liability waiver!

Courage is knowing it might hurt, and doing it anyway.

Stupidity is the same.

And that's why life is hard.

ENEMY AT THE GATE

Two seconds before the dog lost his mind....

CLUB ACTIVITIES

MONTHLY MEETINGS are held on the first Monday of each month. Winter meetings (October thru April) take place at Idaho Fish & Game Headquarters, 600 S Walnut St, Boise. Enter by the southeast doorway, not the main entrance. There should be a club member at the door. Summer meetings (May thru September) take place nearby at the pavilion in Kristin Armstrong Municipal Park, 500 S Walnut St, Boise. Summer meetings are a potluck dinner -- BYO drinks, place setting, and a dish to share. No alcohol is allowed in Municipal Park.

TUESDAY HIKES email announcements are sent each week with location and time. Hikes are of moderate difficulty, 4 to 6 miles, lasting approximately 2 to 2.5 hours. Starting time varies with time of year and weather conditions. If you have questions, contact Shari Wright, 208-391-8598.

WEDNESDAY HIKES email announcements are sent each week with location and time. Hikes are fast-paced, of challenging difficulty, 5 or more miles and lasting 3 or more hours, depending on trail and weather conditions. Challenging difficulty means that you'll need to be in good hiking condition because of significant elevation gain and/or increased mileage. If you have questions, contact Scott Stolhand, 208-891-2214.

THURSDAY CASUAL HIKES email announcements are sent each week with location and time. Hikes are slower-paced, less than two hours, and involve

minimal elevation gain/loss. If you have questions contact Liz McWhorter, 208-891-0426.

THURSDAY SKI GROUP has finished until next January.

KAYAK GROUP occurs (mostly) weekly. If you are interested in kayaking, please contact Francesco Satta (capitanosatta@yahoo.com).

FRIDAY BIKING GROUP email announcements are sent each week with location and time. Rides are moderately-paced with no drastic elevation changes, and almost all are pavement rides. No one will be left behind. Rides last 2-3 hours and often conclude with a coffee stop. If you have questions, please contact Greg Farmer, 208-908-8124.
